COMBINED SHOW CAUSE ORDER AND NOTICE THAT THE USPTO PROPOSES TO RECONSIDER ITS REGISTRATION DECISIONS

To the above-referenced Respondents:

The United States Patent and Trademark Office (“USPTO” or “Office”) has evidence that Global Trademark Co. LLC, Lyptus Partners Bus. Servs. Pvt. Ltd., and the additional entities doing business as Modi and Zaidi Advocs. & Solics., Lyptus Partners, and/or Global Trademark Co. (collectively, “Company Respondents”), acting through its principals, employees, officers, agents, and other persons working at the direction of Company Respondents including, but not limited to Rajatpreet Singh Modi, Ali Zaman Zaidi, Naynika Singh, Snehaja Rana, Shruti Agarwal, Maryam Noor, [REDACTED], [REDACTED], [REDACTED], [REDACTED], [REDACTED], and [REDACTED] (collectively, “Individual Respondents”) are responsible for filing trademark submissions on behalf of others in at least 5,981 application and registration records in violation of USPTO rules and requirements.

Together, the Individual Respondents and the Company Respondents (collectively, “Respondents”) are engaging in the unauthorized practice of law and providing false, fictitious or fraudulent information in thousands of trademark submissions to the USPTO, including owner email addresses and signatures, with the intent to circumvent the

USPTO's rules and deceive the USPTO. See Exhibit A (list of affected trademark records).

Protection of the integrity of the U.S. trademark register is of the utmost concern to the USPTO because the register is a reflection of trademarks actually used in commerce and its accuracy serves the critical purpose of avoiding needless costs and burdens to applicants, who rely upon its contents when choosing a mark. Providing false information in a trademark submission to obtain or maintain a registration undermines the integrity of the trademark register, and those who provide false, fictitious, or fraudulent information are subject to sanctions.

The Director has authority to sanction relevant parties for trademark submissions presented to the USPTO in violation of USPTO rules and has delegated to the Commissioner for Trademarks the authority to impose such sanctions and to otherwise exercise the Director's authority in trademark matters. 35 U.S.C. § 3(a)-(b); 37 C.F.R. § 11.18(c); see also *In re Yusha Zhang*, 2021 Commr. Pat. LEXIS 2, at *10, *23-24 (Dir. USPTO 2021) (sanctions). The authority to issue administrative sanctions orders has been further delegated to the Deputy Commissioner for Trademark Examination Policy. Therefore, based on the available evidence, the USPTO has made a preliminary determination that sanctions are warranted in order to address the violations of USPTO rules concerning signatures, certification, and representation of others, and violations of the Terms of Use for USPTO Websites¹ ("Terms of Use"). This order requires Respondents to show cause as to why the USPTO should not immediately take certain actions and impose sanctions pursuant to 37 C.F.R. § 11.18(c).

For files that have already proceeded to registration, the USPTO also has reason to believe that the improper activity that is the subject of this order and notice tainted the integrity of the USPTO's examination and decision-making processes at their core and resulted in wrongful registration decisions.² To fulfill its mandate to register marks and maintain registrations that comply with U.S. trademark law, the USPTO relies on the truth and accuracy of factual assertions and averments in trademark submissions, many of which are supported by signed declarations or verifications. The available evidence indicates that the USPTO's registration decisions were premised on false representations and assumptions. Therefore, the USPTO proposes to exercise its inherent authority to reconsider its registration decisions and reopen the relevant proceedings.

¹ See <https://www.uspto.gov/terms-use-uspto-websites> (last updated Jan, 26, 2026).

² The term "registration decisions" includes both the initial registration decision made during the application examination process and the maintenance and renewal of registrations. The Federal Circuit has interpreted "registration" in the Lanham Act to include maintenance and renewal of registrations, in addition to the initial registration determination. See *Great Concepts, LLC v. Chutter, Inc.*, 84 F.4th 1014, 1019 (Fed. Cir. 2023); *Torres v. Cantine Torresella S.r.l.*, 808 F.2d 46, 48 (Fed. Cir. 1986).

Should you wish to respond to this Combined Show Cause Order and Notice, a response is required **by August 13, 2026**, in order to be considered.³ Respondents may respond to this Combined Show Cause Order and Notice, as detailed at the end of this order.

I. USPTO Rules and Requirements

All submissions to the USPTO in trademark matters are governed by U.S. trademark laws and the regulations governing practice in trademark matters before the USPTO, including rules concerning signatures, certification, and representation of others (collectively, “USPTO Rules”). See *generally*, 15 U.S.C. §§ 1051 et seq.; 37 C.F.R. Parts 2, 11.

An application for registration of a trademark filed with the USPTO must be made by the owner of the mark or a person who has a bona fide intention to use the mark in commerce. See 15 U.S.C. § 1051. The application must be supported by a verified statement, signed by the owner or a person properly authorized to sign on behalf of the owner. 15 U.S.C. §§ 1051(a)(3), (b)(3); see *also* 37 C.F.R. §§ 2.33, 2.193(e).

A party who presents a trademark submission to the USPTO is certifying that all statements made therein of the party’s own knowledge are true and all statements made therein on information and belief are believed to be true. See 37 C.F.R. §§ 2.193(f), 11.18(b)(1). The party is also certifying that, “[t]o the best of the party’s knowledge, information and belief, formed after an inquiry reasonable under the circumstances, . . . the paper is not being presented for any improper purpose” and “[t]he allegations and other factual contentions have evidentiary support.” 37 C.F.R. § 11.18(b)(2). Thus, knowingly or negligently submitting a document that includes false signatory information, false applicant information, or false claims of use of (or intent to use) the mark in commerce for goods and services that the applicant is not actually offering (or lacks a bona fide intent to offer), violates 37 C.F.R. §§ 2.193(f) and 11.18(b)(1), and doing so without evidentiary support or with intent to circumvent the USPTO’s Rules violates 37 C.F.R. § 11.18(b)(2). Violations of 37 C.F.R. § 11.18(b) may jeopardize the validity of the application or registration and may result in the imposition of sanctions under § 11.18(c), including termination of proceedings. 37 C.F.R. § 11.18(c)(5).

Signed declarations or verifications made in support of trademark submissions—such as applications, declarations of use, or registration maintenance documents—are relied upon by the USPTO when examining trademark applications, registering marks, and maintaining registrations. The information in these submissions, such as a party’s claim of ownership of the mark, the goods and services with which the mark is or will be used, claimed dates of use, claims of use or bona fide intention to the use of the mark in commerce, are all statutory prerequisites for obtaining registration. 15 U.S.C. §§ 1051(a), 1051(b), 1058(b). The USPTO relies upon the facts and averments in trademark submissions to determine the applicants’ or registrants’ right to initial or continued

registration. See *Look Cycle Int'l v. Kunshan Qiyue Outdoor Sports Goods Co.*, Cancellation No. 92079409, 2024 TTAB LEXIS 289, at *39 (2024) (citing *Nationstar Mort. LLC v. Ahmad*, Opp. No. 91177036, 2014 TTAB LEXIS 350, at *4 (2014)); see also *Norton v. Curtiss*, 433 F.2d 779, 794 (CCPA 1970) (“With the seemingly ever-increasing number of applications before it, the [USPTO] . . . must rely on applicants for many of the facts upon which its decisions are based.”). The public also relies upon the accuracy of these submissions in determining the relevant priority and scope of protection claimed.

All signed documents must comply with Rule 2.193 and therefore must be *personally* signed by the named signatory, including the personal entry of all electronic signatures, whether entered directly on the electronic form, within the email-linked form, or on the downloaded form via document-signing software. See 37 C.F.R. §§ 2.193(a), (c), 11.18(a); *In re Stelcore Mgmt. Servs., LLC*, 2025 Commr. Pat. LEXIS 3, at *5-6 (Dir. USPTO 2025); see also TMEP §§ 611.01(b)-(c). A person may not delegate the authority to sign trademark-related submissions, and no party may sign the name of another. See *Zhang*, 2021 Commr. Pat. LEXIS 2, at *10; *In re Dermahose Inc.*, Ser. No. 76585901, 2007 TTAB LEXIS 25, at *9-10 (2007); *In re Cowan*, Reg. No. 1225389, 1990 Commr. Pat. LEXIS 24, at *5-6 (Comm’r Pats. 1990); see also TMEP §§ 611.01(b)-(c), 804.04. For example, a paralegal, legal assistant, or secretary may not sign or enter the name of an attorney or other authorized signatory. TMEP § 611.01(b). A trademark submission that is signed by a person other than the named signatory is improperly executed and cannot be relied upon to support registration. See *Zhang*, 2021 Commr. Pat. LEXIS 2, at *10; *Ex parte Hipkins*, Appeal No. 90-2250, 1991 Pat. App. LEXIS 14, at *10-13 (BPAI 1991); *Cowan*, 1990 Commr. Pat. LEXIS 24, at *5-6. A signature that does not meet the “personally signed” or “personally entered” requirements, see 37 C.F.R. §§ 2.193(a), (f), 11.18(a), “may jeopardize the validity of [an] application or registration.” 37 C.F.R. § 2.193(f). Thus, these signature requirements are not merely technical in nature but rather are substantive. *Stelcore*, 2025 Commr. Pat. LEXIS 3, at *5.

Under USPTO Rules, only attorneys admitted to practice before the bar of the highest court of a U.S. state or jurisdiction may practice before the USPTO in trademark matters on behalf of others.⁴ 37 C.F.R. §§ 2.1, 2.17(a), 11.1, 11.5(b); 11.14(a); see also 5 U.S.C. § 500(b). Individuals who are not U.S.-licensed attorneys are generally not authorized to practice before the Office on behalf of others and may not (1) give advice to an applicant or registrant in contemplation of filing a U.S. trademark application or trademark-related document; (2) prepare or prosecute any U.S. trademark application, response, or post-registration maintenance document; (3) sign amendments to applications, responses to Office actions, petitions to the Director, or request to change correspondence information; or (4) authorize any other amendments to an application or registration. 37 C.F.R. §§ 11.5(b), 11.14(b).

⁴ A limited exception, not applicable here, exists for Canadian attorneys and agents who have been reciprocally recognized by the Director of the Office of Enrollment and Discipline while representing Canadian applicants and registrants. 37 C.F.R. § 11.14(c).

II. USPTO.gov Terms of Use and Verified Account Agreements

In order to access and file electronic forms and submit trademark documents to the USPTO, trademark applicants or their attorneys must register for and use a USPTO.gov account. Use of a USPTO.gov account and any other USPTO website or system requires users to agree to and comply with the Terms of Use. Further, as of August 6, 2022, users who wish to file documents through the Trademark Electronic Filing System must have their identifies verified, and are further bound by the USPTO Trademark Verified USPTO.gov Account Agreement (“Verified Account Agreement”). See <https://www.uspto.gov/sites/default/files/documents/TM-verified-account-agreement.pdf> (last updated Feb. 2024); see *also* Exhibit B (current and previous versions of the Verified Account Agreement).

An individual who is not authorized to practice before the Office on behalf of others (or is not attorney support staff directly assisting an attorney), may make submissions through a USPTO.gov account in application or registration records *only* under specific conditions. These submissions must be made on his or her own behalf as the individual trademark owner or on behalf of a juristic entity owner of which he or she is a partner, member, officer, or direct employee.

Qualified attorneys are permitted to sponsor a reasonable number of attorney support staff “who are directly employed or retained” by the attorney, the attorney’s law firm, or the attorney’s company, so long as the support staff work under the attorney’s “direct supervision.” Exhibit B, p.3; *accord* 37 C.F.R. § 11.5(b). Sponsoring attorneys agree that they “will not attempt to sponsor any other individuals or organizations, including any foreign or domestic company, group, client, agent, attorney or other practitioner.” *Id.* at p.4. “A sponsored support staff cannot be a foreign or domestic company, group, client, attorney, agent, or other practitioner.” *Id.* at p.5. Further, sponsoring attorneys acknowledge that they are “personally, professionally, and ethically responsible for the conduct of each [sponsored] support staff . . . when using a sponsored USPTO.gov account.” *Id.* at p.4. While prior to January 20, 2024, sponsored support accounts were not subject to the same identity verification process as attorney accounts, at all relevant times these accounts were subject to both the Terms of Use and Verified Account Agreement. See *Id.* at pp.19-20.

It is further established that no person is permitted to have more than one trademark verified USPTO.gov account. *Id.* at p.2. Under the Terms of Use, registration for and use of a USPTO.gov account is limited to the individual to whom the account is registered, and the registered individual is responsible for all activities occurring under that account, as well as any sponsored accounts. The sharing of USPTO.gov accounts thus violates the Terms of Use.

Use of a USPTO.gov account to submit, access, or alter information exceeding one’s authority not only breaches the Terms of Use, but also violates 37 C.F.R. §§ 2.193(f) and 11.18(b). For example, the USPTO can consider submissions filed in violation of the Terms of Use in connection with a trademark proceeding as a document submitted for an

improper purpose in violation of Rule 11.18(b), and may strike, or otherwise not consider or give any weight to, such correspondence in accordance with the relevant USPTO rules. See 87 Fed. Reg. 432 (Jan. 5, 2022).

Furthermore, violations of the Verified Account Agreement or Terms of Use may result in immediate termination, suspension, and/or revocation of all related USPTO.gov accounts, particularly when the accounts are used to make submissions that are unauthorized under the regulations of the USPTO. See Exhibit B, pp.1, 5-6; Terms of Use (“Unauthorized use or actions exceeding authorized use of USPTO systems will be investigated, and, when appropriate, official sanctions will be imposed”).

III. Respondents’ Violations of USPTO Rules, Terms of Use, and Verified Account Agreement

Company Respondent Lyptus Partners Bus. Servs. Pvt. Ltd. (“Lyptus Partners”), a law firm based in India, held itself out as authorized to represent others before the USPTO despite not employing any U.S.-licensed attorneys. See Exhibit C (showing screenshots of lyptuspartners.com from August 2022). Specifically, Mr. Modi, Mr. Zadi, Snehaja Rana, Shruti Agarwal, and Naynika Singh are not identified as U.S. licensed attorneys.

Notwithstanding this, Mr. Modi personally advertised on the Fiverr.com platform that he would “be your US trademark attorney” for merely \$10. See Exhibit D (screenshots of advertisements). Similarly, Mr. Zaidi posted on Upwork.com he could “reply to objection [sic] by trademark agency” and provide “legal advice” concerning U.S. trademark applications. *Id.*

In August 2022, Lyptus Partners placed a job posting on Upwork.com to solicit U.S.-licensed attorneys in furtherance of their trademark filing services, stating “[o]ur team will draft the applications and use your details for the attorney section” and “[w]e will add our email as a secondary email so that we can take care of all communications with respect to the applications.” See Exhibit E; *see also In the Matter of Julian Arnold Haffner*, No. D2023-35, 2024 USPTO OED LEXIS 19, at *8-9 (May 21, 2024) (“Haffner OED Order”); *In the Matter of Afamefuna Okeke*, No. D2024-18, 2025 USPTO OED LEXIS 6, at *16-17 (Jan. 6, 2025) (“Okeke OED Order”).

Lyptus Partners eventually succeeded in soliciting a number of attorneys. Between July and September 2022, after entering into agreements with Lyptus Partners, attorneys Grace Lee Huang, Julian Haffner, and Afamefuna Okeke each sponsored USPTO.gov attorney support accounts for Respondents to access to the trademark electronic filing system. *In the Matter of Grace Lee Huang*, No. D2023-37, 2024 USPTO OED LEXIS 22, at *7-9 (Jan. 8, 2024) (“Huang OED Order”); *Haffner OED Order*, 2024 USPTO OED LEXIS 19, at *9-11; *Okeke OED Order*, 2025 USPTO OED LEXIS 6, at *16-17. The attorneys’ admissions reveal that Respondents were not under any direct attorney supervision and were not otherwise authorized to represent others before the USPTO, yet Respondents’ sponsored accounts were used to file thousands of U.S. trademark applications and related documents. Moreover, Ms. Huang, Mr. Haffner, and Mr. Okeke

each admitted in the OED Final Orders that Respondents used the USPTO.gov accounts to affix applicants' signatures directly on trademark documents, including declarations. These documents, which the USPTO relied on for decision-making, were not personally signed by the applicants as required by USPTO Rules.

Following the activity admitted to in the OED Final Orders, on September 16, 2022, the USPTO issued a Sponsored Account Suspension Order ("SASO") to Mr. Haffner and YK Law LLP ("Haffner SASO"), as well as to Ms. Huang and Meritech Law LLC ("Huang SASO"). See Exhibits F and G (copies of the Haffner SASO and Huang SASO, respectively).⁵ As subjects of the Haffner SASO or Huang SASO, the USPTO also emailed copies of the relevant orders to Respondents Rajatpreet Singh Modi, Ali Zaman Zaidi, Shruti Agarwal, Sneha Rana and Maryam Noor. The SASOs explicitly (1) explained the attorney sponsorship requirements, (2) identified Respondents' violations of the Verified Account Agreement, and (3) detailed attorneys' misuse of sponsorship privileges. Thus, the USPTO concludes that Respondents were aware of the impropriety of the conduct at least as early as September 16, 2022.

However, following issuance of the Haffner SASO and Huang SASO, Respondents continued to recruit U.S.-licensed attorneys to improperly sponsor Respondents' existing USPTO.gov attorney support staff accounts in addition to several new accounts. For example, attorney Afamefuna Okeke sponsored USPTO.gov attorney support staff accounts in the name of [REDACTED] ([REDACTED]@gmail.com) ("Okeke Account 1") and [REDACTED] ([REDACTED]@gmail.com) ("Okeke Account 2") for use by Respondents after the SASOs would have been received by Respondents. See Okeke OED Order, 2025 USPTO OED LEXIS 6, at *16. Registration information in Okeke Account 2 notably includes the same phone number for Respondents as that identified on Respondents' globaltrademarkcompany.com website.

Similarly, attorney [REDACTED "ATTY V"] began sponsoring attorney support staff accounts in the name of [REDACTED] ([REDACTED]@gmail.com) ("[ATTY V] Account 1") as well as another account [REDACTED] ([REDACTED]@gmail.com) ("[ATTY V] Account 2") in March 2023. [ATTY V] Account 1 included the phone number of Respondents, and [ATTY V] Account 2 identified an alternate email address of, "ipr@modizaidi.com," which featured a domain clearly connected to Respondents.⁶

⁵ Public versions of the orders are also available for review on the USPTO website at <https://developer.uspto.gov/tm-decisions/search/administrative>.

⁶ The domain "modizaidi.com" references Company Respondent Modi and Zaidi Advocs. & Solics., itself a rebranding of Lyptus Partners that occurred shortly after issuance of the SASOs. See Exhibit H (December 2022 Instagram post announcing the change of name) and Exhibit I (screenshots of modizaidi.com).

Show Cause Order & Notice – *In re Global Trademark Co. LLC et al.*

Another attorney connected to Respondents, [REDACTED]⁷, sponsored an attorney support staff account in the name of [REDACTED] ([REDACTED]@gmail.com) (“[ATTY D] Account 1”) for several periods of time between June 2023 and February 2024, one in the name of [REDACTED] ([REDACTED]@gmail.com) (“[ATTY D] Account 2”) since February 2024, and another in the name of [REDACTED] ([REDACTED]@gmail.com) (“[ATTY D] Account 3”) since September 2024. Each of these accounts are believed to have been under the actual control of Respondents at some time. For example, each of the following submissions to the USPTO was made via an attorney support staff account sponsored by [REDACTED] yet each was also featured on Respondent Modi’s Fiverr.com profile. See Exhibit K (screenshots from Fiverr.com showing a portfolio of identifying filing receipts touted by Respondent Modi):

Despite Respondents awareness of the impropriety of the activity, Respondents registered several other USPTO.gov accounts to email addresses in domains directly associated with the Company Respondents, including several in the name of Individual Respondents:

⁷ [REDACTED], along with Individual Respondents Rajatpreet Singh Modi, Ali Zaman Zaidi, Sneha Rana, and Maryam Noor are identified as professionals of Global Trademark Co. at globaltrademark.co. See Exhibit J (screenshots of globaltrademark.co).

USPTO filing records demonstrate that the USPTO.gov accounts noted above are responsible for submitting thousands of trademark related submissions to the USPTO, filed in the names of different owners with geographically diverse addresses. The vast majority of the submissions utilized the Trademark Electronic Filing System “direct signature” method, whereby the named signatory allegedly personally entered an electronic signature directly on the form at the time of submission. Yet, most submissions originated in India, the location of Lyptus Partners, Modi and Zaidi Advocs. & Solics., and Global Trademark Co. See Exhibits C, I, and J (screenshots of Respondents’ websites displaying an address in India) and Exhibit L (sample filing data, including IP address location data).

Submissions from these USPTO.gov accounts were often made so close in time to each other that it is improbable, if not impossible, that they were signed by the named signatory instead of the person who prepared the submission. For example, on August 25, 2022, Lyptus Account 4 submitted 15 new trademark applications between 1:36am and 4:01am, each allegedly signed by a different signatory. See Exhibit L. The submissions originated from an IP address in India, yet the applicants are individuals and entities located across China. *Id.* On the same day, Lyptus Account 3 submitted 36 submissions to the USPTO, also originating in India, with a staggering 19 signed between 3:02 pm and 3:59 pm. Each of these were allegedly directly signed by different individuals.

Despite Respondents’ actions in the USPTO’s Trademark Electronic Filing System, none of the Individual Respondents are attorneys under 5 U.S.C. §500(b) or 37 C.F.R. § 11.1.

⁸ The “Account Number” used on this table corresponds to column of the same name in Exhibit L.

Respondents appear to be operating primarily from India, and actively solicited for attorneys to help sponsor attorney support accounts for the purpose of using these accounts to submit and prosecute thousands of trademark submissions without any actual attorney supervision.⁹ Attorneys Haffner, Huang, and Okeke admitted they did not directly supervise Respondents and, importantly, attorneys [REDACTED] appear to be primarily located in New York and Montana, rather than India. See Exhibits M and N (screenshots of vernalaw.com and collaborativepatents.com). Without actual direct attorney supervision, the account holders had no authority to prepare or submit trademark documents on behalf of others. See 37 C.F.R. §11.5(b)(3).

Respondents were aware of the impropriety of their conduct because they were explicitly notified of the rule violations, yet they continued their activity by devising methods to conceal their involvement in order to advance submissions for an improper purpose. In Respondents' efforts to conceal their identities, they entered false signature information, information which is material to the Office's determination to issue a registration. Moreover, Respondents' conduct demonstrates a pattern of making false material representations of fact in connection with application proceedings with an intent to deceive the USPTO into believing that application requirements were satisfied. See *In re Bose Corp.*, 580 F.3d 1240, 1243, 91 USPQ2d 1938, 1939 (Fed. Cir. 2009) ("Fraud in procuring a trademark registration or renewal occurs when an applicant knowingly makes false, material representations of fact in connection with his application."). Such actions show an intentional effort to mislead the USPTO regarding Respondents' authority in these trademark proceedings, which supports a finding that such false material representations of fact were made knowingly, willfully, or at the very least, with reckless disregard. *Look Cycle*, 2024 TTAB LEXIS 289 at *34 (explaining that fraud can be demonstrated by knowing violations, or those undertaken with reckless disregard for the truth).

IV. Show Cause Requirement

In determining appropriate sanctions, various considerations may be taken into account, including what is needed to deter the conduct by the party and by others and whether: the improper conduct was willful, the conduct was part of a pattern of activity or an isolated event, the conduct infected an entire application or one particular submission, the party has engaged in similar conduct in other matters, the conduct was intended to injure, or the effect of the conduct on the administrative process in time and expense. 73 Fed. Reg. 47653 (Aug. 14, 2008).

⁹ In the aforementioned job posting by Lyptus Partners on Upwork.com, Respondents promised to "add our email as a secondary email so that we can take care of all communications with respect to the applications," Respondents' apparently made good on this promise because many of the applications submitted by USPTO.gov accounts controlled by Respondents featured correspondence email addresses clearly identifying Respondents. See Exhibit E; see also Haffner OED Order, 2024 USPTO OED LEXIS 19, at *8-9; Okeke OED Order, 2025 USPTO OED LEXIS 6, at *16-17.

Based on the foregoing, the USPTO has reason to believe that all applications and trademark documents filed via the above USPTO.gov accounts were submitted in violation of the USPTO Rules and are invalid. Respondents engaged in a pattern and practice of circumvention of the USPTO Rules to submit thousands of improperly-signed documents in trademark application and registration records. These applications and documents appear to have been submitted without Respondents making a reasonable inquiry into the factual contentions contained therein and/or contain false, fictitious, or fraudulent information. Available information also indicates that such submissions were filed with an intention to circumvent the USPTO Rules including, but not limited to, 37 C.F.R. §§ 2.11(a), 2.23, 2.32, 2.193, 11.14, and 11.18(b). In addition, USPTO records indicate that these submissions were made using the USPTO systems in contravention of the Terms of Use for USPTO Websites.

Because the information discussed above supports a finding that Respondents' actions violate the USPTO Rules, Respondents are hereby ordered to show cause why the USPTO should not enter the following sanctions:

- (1) Permanently preclude Respondents and any employee, agent, or anyone acting on behalf of Company Respondents from submitting trademark-related documents to the USPTO;
- (2) Strike or otherwise give no weight to all trademark-related documents submitted by Respondents or any employee or anyone acting on behalf of Company Respondents;
- (3) Remove correspondence information associated with Respondents and any employee, agent, or anyone acting on behalf of Company Respondents from the USPTO's database in all applications and/or registrations;
- (4) Deactivate or require reverification of identity for any USPTO.gov accounts in which contact information related to Respondents appears, and take action to prevent Respondents from creating or activating further accounts;
- (5) Block future financial transactions from credit cards used to pay filing fees associated with the improper submissions and/or associated with Respondents;
- (6) Terminate all ongoing proceedings containing submissions filed by Respondents or any employee, agent, or anyone acting on behalf of Company Respondents; and
- (7) Continue to strike documents, remove information, deactivate accounts, and terminate proceedings containing submissions later found to have been filed by Respondents or any employee, agent, or anyone acting on behalf of the Company Respondent.

V. Proposal to Reconsider Registration Decisions

The USPTO, like all administrative agencies, possesses inherent authority to reconsider its decisions, subject to certain limitations. *Tokyo Kikai Seisakusho, Ltd. v. United States*, 529 F.3d 1352, 1360 (Fed. Cir. 2008) (collecting citations and affirming the Department of Commerce’s inherent authority to reopen and reconsider a yearly administrative review of an antidumping order); see *The Last Best Beef, LLC v. Dudas*, 506 F. 3d 333, 340-341 (4th Cir. 2007) (holding that the USPTO acted within its inherent authority to correct its own unlawful action by canceling the issuance of two registrations); see also *In re Vivint, Inc.*, 14 F.4th 1342, 1351-52 (Fed. Cir. 2021). Courts have recognized that an “agency’s power to reconsider is even more fundamental when, as here, it is exercised to protect the integrity of its own proceedings from fraud.” *Tokyo Kikai*, 529 F.3d at 1361 (citing *Alberta Gas Chems., Ltd. v. Celanese Corp.*, 650 F.2d 9, 12 (2d Cir. 1981)); see also *Hekmati v. United States*, 51 F.4th 1066, 1070 (Fed. Cir. 2022). “The public welfare demands that the agencies of public justice be not so impotent that they must always be mute and helpless victims of deception and fraud.” *Hazel-Atlas Glass Co. v. Hartford-Empire Co.*, 322 U.S. 238, 246 (1944). The USPTO’s inherent authority to reconsider registration decisions that it later learns were made based on false representations and assumptions is distinct from the USPTO’s authority to impose sanctions when submissions are made for improper purposes. As explained above, the USPTO relies on the truth and accuracy of the submissions made to the USPTO to fulfill its mandate to register marks and maintain registrations that comply with U.S. trademark law. See *Norton*, 433 F.2d at 794; *Look Cycle*, 2024 TTAB LEXIS 289, at *37; *Stelcore*, 2025 Commr. Pat. LEXIS 3, at *5. The USPTO’s reliance on the truth and accuracy of factual assertions in trademark submissions to make registration decisions is necessary due to the limited resources of the agency and is justified because each application and maintenance document must be signed, and the included factual assertions verified, by a properly authorized signatory. See 37 C.F.R. §§2.33(a)-(b).

In this case, the available evidence and information indicates that the integrity of the USPTO’s examination and decision-making processes were tainted at their core and the USPTO’s registration decisions were premised on false representations and assumptions. The evidence indicates that the signatures of applicants in the involved registrations were forged, and the submissions were not reviewed by the signatories prior to filing. Additionally, the evidence indicates that Respondents purposefully concealed their involvement in trademark proceedings by providing false information to the USPTO to deceive the USPTO into believing the applications and other submissions were proper. Respondents’ conduct, characterized by declarations and verifications with false signatures and misrepresentations regarding attorney representation, resulted in thousands of submissions containing averments that cannot be relied upon to support registration. *Stelcore*, 2025 Commr. Pat. LEXIS 3, at *5; *Zhang*, 2021 Commr. Pat. LEXIS 2 at *10; *Hipkins*, 1991 Pat. App. LEXIS 14, at *10-13; *Cowan*, 1990 Commr. Pat. LEXIS 24, at *5-6; see also TMEP § 611.01(b). The USPTO thus has no confidence that the factual representations relied upon for its registration decisions were accurate.

As a result, the USPTO has reason to believe that its examination of all of the involved applications and registrations was conducted on false factual assumptions that resulted in wrongful registration decisions. Accordingly, the USPTO proposes to exercise its inherent authority to reconsider its registration decisions and reopen the relevant proceedings. The proposed approach protects both the integrity of the USPTO's registration proceedings and the public interest that the USPTO reach the right result and maintain an accurate federal trademark register including only those marks that met the statutory and regulatory requirements for federal registration. This interest outweighs any interest the mark owners may have in the finality of the USPTO's registrability determination.

If the USPTO exercises its inherent authority to reconsider its registration decisions, the decisions will be vacated and the application or post-registration proceedings reopened for a new determination to be made. For an initial registration decision, the registration will be cancelled and restored to pendency under its application serial number.¹⁰ The reopened proceeding may be subject to the termination sanction proposed in the preceding section for the reasons explained above.

VI. How to respond

The USPTO will consider your response in determining the appropriate sanctions. If you object to the USPTO reconsidering its registration decisions as described above, or imposing the sanctions proposed in this order, you must respond to this notice **by August 13, 2026**. To be considered, responses must be submitted in writing using the procedures for Respondents and Owners described below.

Any response or electronic communications submitted to the USPTO will be considered part of the public record and are not exempt from disclosure.

Respondents: A response must be submitted via email to TMPolicy@uspto.gov.

Owners of applications identified in Exhibit A: If an owner believes its application was included in error in this order, any response must include evidence and detailed explanations demonstrating that the particular application proceeding did not involve improper submissions as described above. An applicant's response must be submitted using the Petition to Director form available on the USPTO's website.

Owners of registrations identified in Exhibit A: If a registrant believes its registration was included in the notice proposing reopening in error, any response to the notice must include evidence and detailed explanations demonstrating that the particular underlying application or post-registration proceeding did not involve improper

¹⁰ During the period that a reopened application proceeding is pending, the USPTO's systems may continue to show the status as registered due to the agency's technical limitations.

submissions as described above. A registrant's response must be submitted using the Petition to Director form available on the USPTO's website.

If the response is filed by a representative who is not the owner of the application or registration, the response must establish that you are authorized to take action on behalf of others under the USPTO Rules, and must include evidence corroborating any factual claims you make.

This order is issued without prejudice to the USPTO taking all appropriate actions to protect its systems and users from your continued improper activity, including issuing additional orders relating to other applications, or referring your conduct to relevant state and federal law enforcement agencies.

A separate notice concerning this order will be uploaded in each file identified in Exhibit A and sent to the correspondence email address of record.

So ordered,

Exhibit B

United States Patent and Trademark Office Trademark Verified USPTO.gov Account Agreement

I request that the United States Patent and Trademark Office (USPTO) verify my identity and authorize my use of a verified USPTO.gov account for purposes of accessing trademark filing systems (such an authorized account is hereinafter referred to as a trademark verified USPTO.gov account). I have read and consented to the Terms of Use for USPTO Websites and am requesting issuance, or continued use, of a trademark verified USPTO.gov account for the sole purpose of conducting authorized business with the USPTO.

If I previously held a patent-proofed USPTO.gov account, I understand that account was converted to a trademark verified USPTO.gov account either automatically by the USPTO or upon my selection of a role for accessing trademark filing systems. I confirm that I have read and acknowledged the terms of the Patent Electronic System Subscriber Agreement or PKI Subscriber Agreement, whichever governed my patent-proofed account, and which are incorporated by reference.

Continued use of trademark filing systems constitutes my agreement to any applicable subscriber agreement mentioned above and this Trademark Verified USPTO.gov Account Agreement. Wherever the terms of this Agreement conflict with terms of the PKI Subscriber Agreement or the Patent Electronic System Subscriber Agreement, the terms of this Agreement control with respect to the subject matter addressed in this document.

I agree that my continued use of a trademark verified USPTO.gov account to access trademark filing systems is subject to the terms and conditions set out below and the rules and policies of the USPTO. I understand that the USPTO may immediately and/or permanently terminate, suspend, or revoke the trademark verified USPTO.gov account issued to me without prior notice based on the USPTO's sole determination that there has been a violation of this Agreement and/or the rules and policies of the USPTO. I understand that the USPTO may, in its sole discretion, require that I repeat the identity verification process at any time.

February 2024

UNITED STATES
PATENT AND TRADEMARK OFFICE ®

1. Identification Information

By requesting electronic identity verification, providing a notarized identity verification form, providing identity information for a sponsored account, and/or providing updates to identity information to the USPTO, I warrant that all information submitted is based on my own knowledge and believed to be true, with the knowledge that whoever makes false or fraudulent statements shall be subject to the penalties set forth under 18 U.S.C. § 1001 and any other applicable criminal statute, and termination, suspension, or revocation of the USPTO.gov account.

I understand that if there is a change to any required information provided during electronic verification, in a notarized identity verification form, or otherwise by me during the sponsorship process, I agree to update such information within 30 calendar days of the change.

2. Acceptable Use for All Users

I understand that my use of a trademark verified USPTO.gov account is for the sole purpose of conducting business with the USPTO in compliance with the terms of use for USPTO websites, PKI Subscriber Agreement (if applicable), Patent Electronic System Subscriber Agreement (if applicable) and other laws, regulations, and policies of the USPTO, and is further limited to use in connection with applications and/or registrations I am authorized to access. I understand that any other use is strictly prohibited.

I understand that the USPTO may monitor or review my USPTO.gov account activity, including the submission of any documents, data, communication, or payment through trademark electronic systems. I have no expectation of privacy in regards to my use of the USPTO website and I consent to the Privacy Policy posted at <https://www.uspto.gov/privacy-policy>.

I understand that my account is for my sole use and I will not permit others to use the trademark verified USPTO.gov account login credentials issued to me and I will take reasonable steps to prevent others from learning my account login information. I will promptly notify the USPTO if I become aware that the login credentials issued to me have been used by others. I understand that sharing my account login credentials may result in temporary or permanent suspension of my account privileges.

I understand that an individual person may only use one trademark verified USPTO.gov account, and I will not request additional accounts.

I understand that a trademark verified USPTO.gov account is not transferable to any other individual or entity. A trademark verified USPTO.gov account is solely for use by the individual

whose verified identity is associated with the account.

I agree that the trademark verified USPTO.gov account issued to me will not be used to engage in or facilitate the unauthorized practice of law.

If I am not an individual authorized to practice before the Office on behalf of others (or attorney support staff directly assisting an attorney in filing submissions on behalf of that attorney's clients, at their direction and under their control), I will only use the trademark verified USPTO.gov account to file new applications or make submissions in application or registration records or in trademark proceedings, either on my own behalf or on behalf of a juristic entity owner of which I am a partner, member, officer, or direct employee (one without a direct financial interest in the outcome of the trademark registration process). The USPTO may consider any unauthorized submission filed in connection with trademark applications, trademark registrations, or trademark proceedings as a document submitted for an improper purpose and may strike, or otherwise not consider or give any weight to, such submissions in accordance with the relevant USPTO rules.

I understand that trademark verified USPTO.gov accounts are used to access trademark records and systems on a U.S. government computer system and that misuse or unauthorized use may – in addition to the USPTO immediately and/or permanently taking actions described in Part 6, below – subject me to (a) criminal penalties under U.S. law, (b) administrative sanctions by the USPTO and/or (c) disciplinary sanctions for violating the USPTO Rules of Professional Conduct. Any inadvertent disclosure of nonpublic documents shall in no way be construed as authorized access to such documents, and I understand that I must immediately destroy all such material without dissemination to anyone else, retrieve and destroy any such material if disseminated, notify the USPTO of the nature and extent of the unauthorized access, and certify that I have destroyed such material, that I have not granted rights to others to access such material, and that I will not otherwise make use of such material.

3. Attorney - Acceptable Use and Sponsorship of Attorney Support Staff

If I am an attorney or other person authorized to practice before the USPTO in trademark and other non-patent matters on behalf of others (see 37 C.F.R. §§ 11.1, 11.5, 11.14), I understand that I am authorized to grant USPTO.gov account sponsorship to attorney support staff who are directly employed or retained by me, my company, or my law firm and who work under my direct supervision, and that I may remove USPTO.gov account sponsorship of the attorney support staff whom I have sponsored at any time. I agree that I will immediately remove sponsorship from any paralegal or support staff account for any individual no longer employed or supervised by me. I will

not attempt to sponsor any other individuals or organizations, including any foreign or domestic company, group, client, agent, attorney or other practitioner.

As a sponsoring attorney, I understand that I am personally, professionally, and ethically responsible for the conduct of each attorney support staff acting under my supervision when using a sponsored USPTO.gov account. I will take reasonable steps to ensure that each sponsored attorney support staff is familiar with the terms of this Agreement and with the relevant laws, regulations, and policies of the USPTO with respect to the duties to which their access pertains. I will take reasonable steps to ensure that each sponsored attorney support staff's access and use of USPTO systems is consistent with the tasks assigned to that individual. Such reasonable steps include prompt removal of sponsorship when appropriate, including where the individual is no longer under my employ and/or supervision. I will immediately remove sponsorship of the USPTO.gov account for any attorney support staff whom I have reason to believe has abused or misused any USPTO system, including but not limited to knowingly submitting false statements or signatures, and I will immediately report the misuse or abuse to the USPTO. I understand that failure to supervise use of accounts by my support staff may result in any of the following, but not limited to, my being referred to the Office of Enrollment and Discipline and/or revocation of my ability to sponsor additional accounts.

I understand that each USPTO.gov account is intended for use by the individual to whom it is registered, and that each of the attorney support staff I sponsor must have a separate trademark verified USPTO.gov account in their own name, and that accounts are not permitted to be shared among support staff individuals.

As an attorney, I may only sponsor attorney support staff under my supervision, employed or retained by my individual law practice, law firm, or as employees of the same company as myself. I will not attempt to sponsor any other individuals or organizations, including any foreign or domestic company, group, client, agent, attorney or other practitioner. In addition to the identity verification required by the USPTO, as a sponsoring attorney, I understand that I am responsible for confirming the identity of any person whom I sponsor, and understand that this information is subject to the terms of Section 1 above.

4. Sponsored Attorney Support Staff - Acceptable Use

If I use a sponsored USPTO.gov account, I understand that my use and access to USPTO systems is subject to the direction and control of the attorney sponsoring my account. By accessing the sponsored account, I verify that (i) I am not an attorney (see 37 C.F.R. § 11.1), (ii) I am not suspended, excluded, or otherwise precluded from practice before the USPTO, (iii) I am employed

or retained by the account sponsor(s) or the law firm(s) or company where my supervising attorney and I are employed, and (iv) I am subject to direct oversight and supervision of the account sponsor(s).

5. Roles

Users select or are assigned a user role for each trademark verified USPTO.gov account. User roles correspond to persons authorized to make submissions in trademark matters.

The owner role can only be used to access trademark electronic systems and make submissions in applications, registrations, or proceedings in which 1) the person is an individual and either the original applicant or assignee of the subject mark; 2) the person can legally bind the owner; or 3) the person is directly employed by a juristic entity owner. In the context of this Agreement, a person who is directly employed does not have a direct financial interest in the outcome of the trademark registration process.

The U.S.-licensed attorney role can only be claimed by an active member in good standing of the bar of the highest court of any U.S. state or territory.

The Canadian attorney/agent role can only be claimed by one who is reciprocally recognized by the USPTO's Office of Enrollment and Discipline (OED) to represent persons located in Canada before the USPTO in trademark matters.

U.S.-licensed attorneys and Canadian attorneys/agents may sponsor individuals with USPTO.gov accounts in a support staff role. Violations of this Agreement by U.S.-licensed attorneys and recognized Canadian attorneys/agents or their sponsored support staff will be referred to OED for investigation and possible discipline.

The attorney support staff role can only be claimed, assigned, or used in connection with preparing and filing trademark documents through USPTO electronic filing systems in accordance with USPTO rules by a person directly employed or retained by the attorney/agent, or the attorney/agent's law firm, partnership, or corporation, who works directly for the attorney/agent and under the attorney/agent's direct supervision. A sponsored support staff cannot be a foreign or domestic company, group, client, attorney, agent, or other practitioner.

6. Termination, Suspension, and Revocation of Accounts

Users are granted a revocable license to use a trademark verified USPTO.gov account subject to the terms of this Agreement. The USPTO may immediately terminate, suspend, or revoke any

trademark verified USPTO.gov account at any time, without prior notice, temporarily or permanently, where:

- (a) Required information stored in the USPTO.gov account or contained in a notarized identity verification form changes and the appropriate user does not notify the USPTO within 30 calendar days;
- (b) The USPTO has reason to believe that the account has been compromised;
- (c) The associated USPTO system has been compromised;
- (d) The USPTO has reason to believe the USPTO.gov account is being used, or has been attempted for use, for unauthorized access to nonpublic information or inadvertently disclosed nonpublic information;
- (e) The user attempts to register more than one verified USPTO.gov account, including an account under a different or assumed name;
- (f) The verified USPTO.gov account is used to make submissions that the user is not authorized to make under the relevant laws, regulations, or policies of the USPTO;
- (g) The user submits any false, fictitious, and/or fraudulent information in connection with identity verification or account sponsorship;
- (h) The user submits a notarized form in support of identity verification that does not meet the notarization requirements of the notarial state or country;
- (i) The user refuses to destroy, cease dissemination, and/or retrieve any dissemination of any inadvertently disclosed or other nonpublic documents after notification by the USPTO;
- (j) The user fails to comply with obligations under this Agreement or the laws, regulations, or policies of the USPTO;
- (k) The USPTO determines the verified USPTO.gov account was not or is not being used in accordance with the obligations under this Agreement or the laws, regulations, or policies of the USPTO, including the user roles identified in section 5, or determines that the account was or is being otherwise misused;
- (l) The USPTO learns or has reason to believe that an attorney sponsoring attorney support

staff accounts is no longer practicing law or is no longer employing, retaining, or supervising the attorney support staff;

- (m) The USPTO.gov account is associated with any activities or operations that cause or result in a denial or diminution of services to other customers, whether generated automatically or manually;
- (n) There is inactivity for an extended period of time; or
- (o) For any other reason the USPTO deems necessary to protect the integrity of its systems and programs.

I understand that if the USPTO suspends, terminates, or revokes an account, the USPTO may subsequently deny future requests made by that user at its sole discretion. Further, the USPTO may, in its sole discretion, deny requests to reinstate, or place conditions upon reinstatement of, any USPTO.gov account that has violated this Agreement or the Terms of Use for USPTO websites. Further, the USPTO may, in its sole discretion, suspend, terminate, or revoke any and all USPTO.gov accounts, old or new, registered to an individual whose account has already been suspended, terminated, or revoked.

7. Software Use

I agree to honor any applicable copyright, patent, or license agreements with respect to any software provided to me by the USPTO, and will not tamper with, alter, destroy, modify, reverse engineer, or decompile such software in any way. I agree not to use the software for any purpose other than conducting authorized business with the USPTO (e.g., unauthorized access to nonpublic or inadvertently disclosed information).

8. Availability

I understand that the USPTO does not warrant or represent 100% availability of USPTO electronic systems due to system maintenance, repair, or events outside the control of the USPTO. The USPTO will make reasonable efforts to post information regarding scheduled downtime, when known, on the USPTO website. Any delays or difficulties caused by downtime may be addressed through the petition process or in accordance with further USPTO notice.

9. Term of Agreement

Continued use of a trademark verified USPTO.gov account evidences the user's continued acceptance of this Agreement, including changes that may be made from time to time in the

USPTO's sole discretion. The user is responsible for knowing and understanding the terms of this Agreement, which will be made publicly available, currently at <https://www.uspto.gov/sites/default/files/documents/TM-verified-account-agreement.pdf>. The user may surrender a trademark verified USPTO.gov account at any time by written submission to the USPTO via email at TEAS@uspto.gov or via post mail at:

U.S. Patent and Trademark Office
Mail Stop EBC
PO Box 1451
Alexandria, VA 22313-1451

10. General

If any provision of this Agreement is declared by a court to be invalid, illegal, or unenforceable, all other provisions shall remain in full force and effect.

The USPTO reserves the right to refuse to issue accounts. The USPTO reserves the right to cancel this program at any time. Modifications to this Agreement will be posted on the USPTO website at <https://www.uspto.gov/sites/default/files/documents/TM-verified-account-agreement.pdf>.

I understand that the account issued to me is not a license required by law and is not to be construed as any form of permission or authority from the USPTO to file a document in the Office in violation of any applicable laws, regulations, or policies of the USPTO.

Nothing in this Agreement precludes the jurisdiction of the Office of Enrollment and Discipline or limits the authority of the Director of the USPTO or the Commissioner for Trademarks.

11. Dispute Resolution and Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the United States of America.

United States Patent and Trademark Office Trademark Verified USPTO.gov Account Agreement

I request that the United States Patent and Trademark Office (USPTO) verify my identity and authorize my use of a verified USPTO.gov account for purposes of accessing trademark filing systems (such an authorized account is hereinafter referred to as a trademark verified USPTO.gov account). I have read and consented to the [Terms of Use for USPTO Websites](#) and am requesting issuance of a trademark verified USPTO.gov account for the sole purpose of conducting authorized business with the USPTO.

Alternatively, I already have been issued a verified USPTO.gov account by submitting a Patent Electronic System Verification Form or by migration based on my possession of a PKI certificate, and that account has been automatically converted to a trademark verified USPTO.gov account by the USPTO. If I was issued a verified USPTO.gov account by submitting a Patent Electronic System Verification Form, I confirm that I have read and acknowledged the terms of the Patent Electronic System Subscriber Agreement, which is incorporated by reference. If I migrated my account based on possession of a PKI certificate, I confirm that I have read and acknowledged the terms of the PKI Subscriber Agreement, which is incorporated, herein, by reference. Continued use of trademark filing systems constitutes a consensual agreement to any applicable subscriber agreement mentioned above and this Trademark Verified USPTO.gov Account Agreement. Wherever the terms of this Agreement conflict with terms of the PKI Subscriber Agreement or the Patent Electronic System Subscriber Agreement, the terms of this Agreement control with respect to the subject matter discussed in this document.

I agree that my continued use of a trademark verified USPTO.gov account to access trademark filing systems is subject to the terms and conditions set out below and the rules and policies of the USPTO. I understand that the USPTO may immediately and/or permanently terminate, suspend, or revoke the trademark verified USPTO.gov account issued to me without prior notice based on the USPTO's sole determination that there has been a violation of this Agreement and/or the rules and policies of the USPTO.

1. Identification Information

By requesting electronic identity verification, providing a notarized identity verification form, providing identity information for a sponsored account, and/or providing updates to identity information to the USPTO, I warrant that all information submitted is based on my own knowledge and believed to be true, with the knowledge that whoever makes false or fraudulent statements shall be subject to the penalties set forth under 18 U.S.C. § 1001 and any other applicable criminal statute, and may face termination, suspension, or revocation of the USPTO.gov account.

I understand that if there is a change to any required information provided during electronic verification, provided in a notarized identity verification form, or provided by me in sponsoring an attorney support staff account, I agree to update such information within 30 calendar days of the change.

2. Acceptable Use for All Users

I understand that my use of a trademark verified USPTO.gov account is for the sole purpose of conducting business with the USPTO in compliance with the terms of use for USPTO websites, PKI Subscriber Agreement (if applicable), Patent Electronic System Subscriber Agreement (if applicable) and other laws, regulations, and policies of the USPTO, and is further limited to use in connection with applications and/or registrations I am authorized to access. I understand that any other use is strictly prohibited.

I will not permit others to use the trademark verified USPTO.gov account login credentials issued to me and will take reasonable steps to prevent others from learning my account login information. I will promptly notify the USPTO if I become aware that the login credentials issued to me have been used by others.

I understand that an individual may only use a single trademark verified USPTO.gov account, and I will not request additional accounts (other than account sponsorships for other individuals, described below).

I understand that a trademark verified USPTO.gov account is not transferable to any other individual or entity.

I agree that the trademark verified USPTO.gov account will not be used in connection with the unauthorized practice of law.

If I am not an individual authorized to practice before the Office on behalf of others (or attorney support staff directly assisting an attorney), I will only use a trademark verified USPTO.gov account to file new applications or make submissions in application or registration records either on my own behalf or on behalf of a juristic entity owner of which I am a partner, member, officer or direct employee (one without a direct financial interest in the outcome of the trademark registration process). The USPTO may consider any unauthorized submission filed in connection with trademark applications, trademark registrations, or trademark proceedings as a document submitted for an improper purpose and may strike, or otherwise not consider or give any weight to, such correspondence in accordance with the relevant USPTO rules.

I understand that trademark verified USPTO.gov accounts are used to access trademark records and systems on a U.S. government computer system and that misuse or unauthorized use may—in addition to the USPTO immediately and/or permanently taking actions described in Part 6, below—subject me to (a) criminal penalties under U.S. law, (b) administrative sanctions by the USPTO and/or (c) disciplinary sanctions for violating the USPTO Rules of Professional Conduct. Any inadvertent disclosure of nonpublic documents shall in no way be construed as authorized access to such documents, and I understand that I must immediately destroy all such material without dissemination to anyone else, retrieve and destroy any such material if disseminated, notify the USPTO of the nature and extent of the unauthorized access, and certify that I have destroyed such material, that I have not granted rights to others to access such material, and that I will not otherwise make use of such material.

3. Attorney - Acceptable Use and Sponsorship of Attorney Support Staff

If I am an attorney or other person authorized to practice before the USPTO in trademark and other non-patent matters on behalf of others (see 37 C.F.R. §§ 11.1, 11.5, 11.14), I understand that I am authorized to grant USPTO.gov account sponsorship to a reasonable number of attorney support staff who are directly employed or retained by me, my company, or my law firm and who work under my supervision, and that I may remove USPTO.gov account sponsorship of the attorney support staff whom I have sponsored at any time.

As a sponsoring attorney, I understand that I am personally, professionally, and ethically responsible for the conduct of each attorney support staff when using a sponsored USPTO.gov account. I will take reasonable steps to ensure that each sponsored attorney support staff is familiar with the terms of this Agreement and with the relevant laws, regulations, and policies of the USPTO with respect to the duties to which their access pertains. I will take reasonable steps to ensure that each sponsored attorney support staff's access and use of USPTO systems is consistent with the tasks assigned that individual. Such reasonable steps include prompt removal of sponsorship when appropriate, including where the individual is no longer under my employ and/or supervision. I will immediately remove sponsorship of the USPTO.gov account for any attorney support staff whom I have reason to believe has abused or misused any USPTO system, including but not limited to knowingly submitting false statements or signatures, and I will immediately report the misuse or abuse to the USPTO.

I understand that each USPTO.gov account is intended for use by the individual to whom it is registered, and that each of the attorney support staff I sponsor must have a separate USPTO.gov account in their own name and are not permitted to share accounts among other support staff individuals.

As an attorney, I may only sponsor attorney support staff under my supervision, employed or retained by my individual law practice, law firm, or as employees of the same company as myself. I will not attempt to sponsor any other individuals or organizations, including any foreign or domestic company, group, client, agent, attorney or other practitioner. As a sponsoring attorney, I understand that I am responsible for verifying the identity of any person who I sponsor, and understand that this information is subject to the terms of Section 1 above.

4. Sponsored Attorney Support Staff - Acceptable Use

If I use a sponsored USPTO.gov account, I understand that my use and access to USPTO systems is subject to the direction and control of the attorney sponsoring my account. By accessing the sponsored account, I verify that (i) I am not an attorney (see 37 C.F.R. § 11.1) or other person suspended, excluded, or otherwise precluded from practice before the USPTO, (ii) I am employed or retained by the account sponsor or the law firm or company where we are both employed, and (iii) I am subject to direct oversight and supervision of the account sponsor.

I agree that my access to USPTO systems that may only be accessed by the holder of a trademark verified USPTO.gov account may not extend beyond those duties performed under the direction and control of a sponsoring attorney. If a sponsoring attorney ceases practice before the USPTO for any reason, I will cease any access granted from that attorney.

5. Roles

Users select or are assigned a user role for each trademark verified USPTO.gov account. User roles correspond to persons authorized to make submissions in trademark matters.

The owner role can only be claimed by 1) a person who is an individual and the owner of the mark; 2) a person who can legally bind the owner; or 3) a person who is directly employed by a juristic entity owner. A person who is directly employed does not have a direct financial interest in the outcome of the trademark registration process.

The U.S.-licensed attorney role can only be claimed by an active member in good standing of the bar of the highest court of any U.S. state or territory.

The Canadian attorney/agent role can only be claimed by one who is reciprocally recognized by the USPTO's Office of Enrollment and Discipline (OED) to represent persons located in Canada before the USPTO in trademark matters.

U.S.-licensed attorneys and Canadian attorneys/agents may sponsor individuals with USPTO.gov accounts in a support staff role. Violations of this Agreement by U.S.-licensed attorneys and recognized Canadian attorneys/agents or their sponsored support staff will be referred to OED for investigation and possible discipline.

The attorney support staff role can only be used in connection with preparing and filing trademark documents through USPTO electronic filing systems in accordance with USPTO rules by a person directly employed or retained by the attorney/agent, or the attorney/agent's law firm, partnership, or corporation, who works directly for the attorney/agent and under the attorney/agent's direct supervision. A sponsored support staff cannot be a foreign or domestic company, group, client, attorney, agent, or other practitioner.

6. Termination, Suspension, and Revocation of Accounts

Users are granted a revocable license to use a trademark verified USPTO.gov account subject to the terms of this Agreement. The USPTO may immediately terminate, suspend, or revoke any trademark verified USPTO.gov account at any time, without prior notice, where:

- (a) Required information stored in the USPTO.gov account or contained in a notarized identity verification form changes and the appropriate user does not notify the USPTO within 30 calendar days;
- (b) The USPTO has reason to believe that the account has been compromised;
- (c) The associated USPTO system has been compromised;
- (d) The USPTO has reason to believe the USPTO.gov account is being used, or has been attempted for use, for unauthorized access to nonpublic information or inadvertently disclosed nonpublic information;
- (e) The user attempts to register more than one verified USPTO.gov account, including an account under a different or assumed name;
- (f) The verified USPTO.gov account is used to make submissions that the user is not authorized to make under the relevant laws, regulations, or policies of the USPTO;
- (g) The user submits any false, fictitious, and/or fraudulent information in connection with identity verification or account sponsorship;
- (h) The user submits a notarized form in support of identity verification that does not meet the notarization requirements of the notarial state or country;
- (i) The user refuses to destroy, cease dissemination, and/or retrieve any dissemination of any inadvertently disclosed or other nonpublic documents after notification by the USPTO;
- (j) The user fails to comply with obligations under this Agreement or the laws, regulations, or policies of the USPTO;
- (k) The USPTO determines the verified USPTO.gov account was not or is not being used in accordance with the obligations under this Agreement or the laws, regulations, or policies of the USPTO, including the user roles identified in section 5, or determines that the account was or is being otherwise misused;
- (l) The USPTO learns or has reason to believe that an attorney sponsoring attorney support staff accounts is no longer practicing law or is no longer employing, retaining, or supervising the attorney support staff;
- (m) The USPTO.gov account is associated with any activities or operations that cause or result in a denial or diminution of services to other customers, whether generated automatically or manually;
- (n) There is inactivity for an extended period of time; or

- (o) For any other reason the USPTO deems necessary to protect the integrity of its systems and programs.

I understand that if the USPTO suspends, terminates, or revokes an account, the USPTO may subsequently deny future requests made by that user at its sole discretion.

7. Software Use

I agree to honor any applicable copyright, patent, or license agreements with respect to any software provided to me by the USPTO, and will not tamper with, alter, destroy, modify, reverse engineer, or decompile such software in any way. I agree not to use the software for any purpose other than conducting authorized business with the USPTO (e.g., unauthorized access to nonpublic or inadvertently disclosed information).

8. Availability

I understand that the USPTO does not warrant or represent 100% availability of USPTO electronic systems due to system maintenance, repair, or events outside the control of the USPTO. The USPTO will make reasonable efforts to post information regarding scheduled downtime, when known, on the USPTO website. Any delays or difficulties caused by downtime may be addressed through the petition process or in accordance with further USPTO notice.

9. Term of Agreement

Continued use of a trademark verified USPTO.gov account evidences the user's continued acceptance of this Agreement, including changes that may be made from time to time. The user is responsible for knowing and understanding the terms of this Agreement, which is publicly available at <https://www.uspto.gov/sites/default/files/documents/TM-verified-account-agreement.pdf>.

The user may surrender a trademark verified USPTO.gov account at any time by written submission to the USPTO via email at TEAS@uspto.gov or via post mail at:

U.S. Patent and Trademark Office
Mail Stop EBC
PO Box 1451
Alexandria, VA 22313-1451

10. General

If any provision of this Agreement is declared by a court to be invalid, illegal, or unenforceable, all other provisions shall remain in full force and effect.

The USPTO reserves the right to refuse to issue accounts. The USPTO reserves the right to cancel this program at any time. Modifications to this Agreement will be posted on the USPTO website at <https://www.uspto.gov/sites/default/files/documents/TM-verified-account-agreement.pdf>.

I understand that the account issued to me is not a license required by law and is not to be construed as any form of permission or authority from the USPTO to file a document in the Office in violation of any applicable laws, regulations, or policies of the USPTO.

Nothing in this Agreement precludes the jurisdiction of the Office of Enrollment and Discipline or limits the authority of the Director of the USPTO or the Commissioner for Trademarks.

11. Dispute Resolution and Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the United States of America.

United States Patent and Trademark Office Trademark Verified USPTO.gov Account Agreement

I request that the United States Patent and Trademark Office (USPTO) verify my identity and authorize my use of a verified USPTO.gov account for purposes of accessing trademark filing systems (such an authorized account is hereinafter referred to as a trademark verified USPTO.gov account). I have read and consented to the [Terms of Use for USPTO Websites](#) and am requesting issuance of a trademark verified USPTO.gov account for the sole purpose of conducting authorized business with the USPTO.

Alternatively, I already have been issued a verified USPTO.gov account by submitting a Patent Electronic System Verification Form or by migration based on my possession of a PKI certificate, and that account has been automatically converted to a trademark verified USPTO.gov account by the USPTO. If I was issued a verified USPTO.gov account by submitting a Patent Electronic System Verification Form, I confirm that I have read and acknowledged the terms of the Patent Electronic System Subscriber Agreement, which is incorporated by reference. If I migrated my account based on possession of a PKI certificate, I confirm that I have read and acknowledged the terms of the PKI Subscriber Agreement, which is incorporated, herein, by reference. Continued use of trademark filing systems constitutes a consensual agreement to any applicable subscriber agreement mentioned above and this Trademark Verified USPTO.gov Account Agreement. Wherever the terms of this Agreement conflict with terms of the PKI Subscriber Agreement or the Patent Electronic System Subscriber Agreement, the terms of this Agreement control with respect to the subject matter discussed in this document.

I agree that my continued use of a trademark verified USPTO.gov account to access trademark filing systems is subject to the terms and conditions set out below and the rules and policies of the USPTO. I understand that the USPTO may immediately and/or permanently terminate, suspend, or revoke the trademark verified USPTO.gov account issued to me without prior notice based on the USPTO's sole determination that there has been a violation of this Agreement and/or the rules and policies of the USPTO.

1. Identification Information

By requesting electronic identity verification, providing a notarized identity verification form, providing identity information for a sponsored account, and/or providing updates to identity information to the USPTO, I warrant that all information submitted is based on my own knowledge and believed to be true, with the knowledge that whoever makes false or fraudulent statements shall be subject to the penalties set forth under 18 U.S.C. § 1001 and any other applicable criminal statute, and may face termination, suspension, or revocation of the USPTO.gov account.

I understand that if there is a change to any required information provided during electronic verification, provided in a notarized identity verification form, or provided by me in sponsoring an attorney support staff account, I agree to update such information within 30 calendar days of the change.

2. Acceptable Use for All Users

I understand that my use of a trademark verified USPTO.gov account is for the sole purpose of conducting business with the USPTO in compliance with the terms of use for USPTO websites, PKI Subscriber Agreement (if applicable), Patent Electronic System Subscriber Agreement (if applicable) and other laws, regulations, and policies of the USPTO, and is further limited to use in connection with applications and/or registrations I am authorized to access. I understand that any other use is strictly prohibited.

I will not permit others to use the trademark verified USPTO.gov account login credentials issued to me and will take reasonable steps to prevent others from learning my account login information. I will promptly notify the USPTO if I become aware that the login credentials issued to me have been used by others.

I understand that an individual may only use a single trademark verified USPTO.gov account, and I will not request additional accounts (other than account sponsorships for other individuals, described below).

I understand that a trademark verified USPTO.gov account is not transferable to any other individual or entity.

I agree that the trademark verified USPTO.gov account will not be used in connection with the unauthorized practice of law.

If I am not an individual authorized to practice before the Office on behalf of others (or attorney support staff directly assisting an attorney), I will only use a trademark verified USPTO.gov account to file new applications or make submissions in application or registration records either on my own behalf or on behalf of a juristic entity owner of which I am a partner, member, officer or direct employee (one without a direct financial interest in the outcome of the trademark registration process). The USPTO may consider any unauthorized submission filed in connection with trademark applications, trademark registrations, or trademark proceedings as a document submitted for an improper purpose and may strike, or otherwise not consider or give any weight to, such correspondence in accordance with the relevant USPTO rules.

I understand that trademark verified USPTO.gov accounts are used to access trademark records and systems on a U.S. government computer system and that misuse or unauthorized use may—in addition to the USPTO immediately and/or permanently taking actions described in Part 6, below—subject me to (a) criminal penalties under U.S. law, (b) administrative sanctions by the USPTO and/or (c) disciplinary sanctions for violating the USPTO Rules of Professional Conduct. Any inadvertent disclosure of nonpublic documents shall in no way be construed as authorized access to such documents, and I understand that I must immediately destroy all such material without dissemination to anyone else, retrieve and destroy any such material if disseminated, notify the USPTO of the nature and extent of the unauthorized access, and certify that I have destroyed such material, that I have not granted rights to others to access such material, and that I will not otherwise make use of such material.

3. Attorney - Acceptable Use and Sponsorship of Attorney Support Staff

If I am an attorney or other person authorized to practice before the USPTO in trademark and other non-patent matters on behalf of others (see 37 C.F.R. §§ 11.1, 11.5, 11.14), I understand that I am authorized to grant USPTO.gov account sponsorship to a reasonable number of attorney support staff who are directly employed or retained by me, my company, or my law firm and who work under my supervision, and that I may remove USPTO.gov account sponsorship of the attorney support staff whom I have sponsored at any time.

As a sponsoring attorney, I understand that I am personally, professionally, and ethically responsible for the conduct of each attorney support staff when using a sponsored USPTO.gov account. I will take reasonable steps to ensure that each sponsored attorney support staff is familiar with the terms of this Agreement and with the relevant laws, regulations, and policies of the USPTO with respect to the duties to which their access

pertains. I will take reasonable steps to ensure that each sponsored attorney support staff's access and use of USPTO systems is consistent with the tasks assigned that individual. Such reasonable steps include prompt removal of sponsorship when appropriate, including where the individual is no longer under my employ and/or supervision. I will immediately remove sponsorship of the USPTO.gov account for any attorney support staff whom I have reason to believe has abused or misused any USPTO system, including but not limited to knowingly submitting false statements or signatures, and I will immediately report the misuse or abuse to the USPTO.

I understand that each USPTO.gov account is intended for use by the individual to whom it is registered, and that each of the attorney support staff I sponsor must have a separate USPTO.gov account in their own name and are not permitted to share accounts among other support staff individuals.

As an attorney, I may only sponsor attorney support staff under my supervision, employed or retained by my individual law practice, law firm, or as employees of the same company as myself. I will not attempt to sponsor any other individuals or organizations, including any foreign or domestic company, group, client, agent, attorney or other practitioner. As a sponsoring attorney, I understand that I am responsible for verifying the identity of any person who I sponsor, and understand that this information is subject to the terms of Section 1 above.

4. Sponsored Attorney Support Staff - Acceptable Use

If I use a sponsored USPTO.gov account, I understand that my use and access to USPTO systems is subject to the direction and control of the attorney sponsoring my account. By accessing the sponsored account, I verify that (i) I am not an attorney (see 37 C.F.R. § 11.1) or other person suspended, excluded, or otherwise precluded from practice before the USPTO, (ii) I am employed or retained by the account sponsor or the law firm or company where we are both employed, and (iii) I am subject to direct oversight and supervision of the account sponsor.

I agree that my access to USPTO systems that may only be accessed by the holder of a trademark verified USPTO.gov account may not extend beyond those duties performed under the direction and control of a sponsoring attorney. If a sponsoring attorney ceases practice before the USPTO for any reason, I will cease any access granted from that attorney.

5. Roles

Users select or are assigned a user role for each trademark verified USPTO.gov account. User roles correspond to persons authorized to make submissions in trademark matters.

The owner role can only be claimed by 1) a person who is an individual and the owner of the mark; 2) a person who can legally bind the owner; or 3) a person who is directly employed by a juristic entity owner. A person who is directly employed does not have a direct financial interest in the outcome of the trademark registration process.

The U.S.-licensed attorney role can only be claimed by an active member in good standing of the bar of the highest court of any U.S. state or territory.

The Canadian attorney/agent role can only be claimed by one who is reciprocally recognized by the USPTO's Office of Enrollment and Discipline (OED) to represent persons located in Canada before the USPTO in trademark matters.

U.S.-licensed attorneys and Canadian attorneys/agents may sponsor individuals with USPTO.gov accounts in a support staff role. Violations of this Agreement by U.S.-licensed attorneys and recognized Canadian attorneys/agents or their sponsored support staff will be referred to OED for investigation and possible discipline.

The attorney support staff role can only be used in connection with preparing and filing trademark documents through USPTO electronic filing systems in accordance with USPTO rules by a person directly employed or retained by the attorney/agent, or the attorney/agent's law firm, partnership, or corporation, who works directly for the attorney/agent and under the attorney/agent's direct supervision. A sponsored support staff cannot be a foreign or domestic company, group, client, attorney, agent, or other practitioner.

Users are granted a revocable license to use a trademark verified USPTO.gov account subject to the terms of this Agreement. The USPTO may immediately terminate, suspend, or revoke any trademark verified USPTO.gov account at any time, without prior notice, where:

- (j) The user fails to comply with obligations under this Agreement or the laws, regulations, or policies of the USPTO;
- (k) The USPTO determines the verified USPTO.gov account was not or is not being used in accordance with the obligations under this Agreement or the laws, regulations, or policies of the USPTO, including the user roles identified in section 5, or determines that the account was or is being otherwise misused;
- (l) The USPTO learns or has reason to believe that an attorney sponsoring attorney support staff accounts is no longer practicing law or is no longer employing, retaining, or supervising the attorney support staff;
- (m) The USPTO.gov account is associated with any activities or operations that cause or result in a denial or diminution of services to other customers, whether generated automatically or manually;
- (n) There is inactivity for an extended period of time; or
- (o) For any other reason the USPTO deems necessary to protect the integrity of its systems and programs.

I understand that if the USPTO suspends, terminates, or revokes an account, the USPTO may subsequently deny future requests made by that user at its sole discretion.

7. Software Use

This document is the Trademark Verified USPTO.gov Account Agreement. Where there is a conflict with terms of the PKI Subscriber Agreement or the Trademark System Verification Agreement, the terms of this agreement control. The terms of this agreement are discussed in this document.

January 2022

1. Identification Information

By requesting electronic identity verification, providing a notarized identity verification form, providing identity information for a sponsored account, and/or providing updates to identity information to the USPTO, I warrant that all information submitted is based on my own knowledge and believed to be true, with the knowledge that whoever makes false or fraudulent statements shall be subject to the penalties set forth under 18 U.S.C. § 1001 and any other applicable criminal statute, and may face termination, suspension, or revocation of the USPTO.gov account.

I understand that if there is a change to any required information provided during electronic verification, provided in a notarized identity verification form, or provided by me in sponsoring an attorney support staff account, I agree to update such information within 30 calendar days of the change.

2. Acceptable Use for All Users

I understand that my use of a trademark verified USPTO.gov account is for the sole purpose of conducting business with the USPTO in compliance with the terms of use for USPTO websites, PKI Subscriber Agreement (if applicable), Patent Electronic System Subscriber Agreement (if applicable) and other laws, regulations, and policies of the USPTO, and is further limited to use in connection with applications and/or registrations I am authorized to access. I understand that any other use is strictly prohibited. If my authority to access or act on behalf of a party or in any particular trademark application or registration is revoked or otherwise ends, I will promptly remove the association with the relevant trademark application or registration from my account.

I will not permit others to use the trademark verified USPTO.gov account login credentials issued to me and will take reasonable steps to prevent others from learning my account login information. I will promptly notify the USPTO if I become aware that the login credentials issued to me have been used by others.

I understand that an individual may only use a single trademark verified USPTO.gov account, and I will not request additional accounts (other than account sponsorships for other individuals, described below).

I understand that a trademark verified USPTO.gov account is not transferable to any other individual or entity.

I agree that the trademark verified USPTO.gov account will not be used in connection with

the unauthorized practice of law.

If I am not an individual authorized to practice before the Office on behalf of others (or attorney support staff directly assisting an attorney), I will only use a trademark verified USPTO.gov account to file new applications or make submissions in application or registration records either on my own behalf or on behalf of (1) a firm of which I am a member, (2) a partnership of which I am a partner, or (3) a corporation or association of which I am an officer and which I am authorized to represent. See 37 C.F.R. § 11.14. The USPTO may consider any unauthorized submission filed in connection with trademark applications, trademark registrations, or trademark proceedings as a document submitted for an improper purpose and may strike, or otherwise not consider or give any weight to, such correspondence in accordance with the relevant rules of practice and/or professional conduct.

I understand that trademark verified USPTO.gov accounts are used to access trademark records and systems on a U.S. government computer system and that misuse or unauthorized use may—in addition to the USPTO immediately and/or permanently taking actions described in Part 5, below—subject me to (a) criminal penalties under U.S. law, (b) administrative sanctions by the USPTO and/or (c) disciplinary sanctions for violating the USPTO Rules of Professional Conduct. Any inadvertent disclosure of nonpublic documents shall in no way be construed as authorized access to such documents, and I understand that I must immediately destroy all such material without dissemination to anyone else, retrieve and destroy any such material if disseminated, notify the USPTO of the nature and extent of the unauthorized access, and certify that I have destroyed such material, that I have not granted rights to others to access such material, and that I will not otherwise make use of such material.

3. Attorney - Acceptable Use and Sponsorship of Attorney Support Staff

If I am an attorney or other person authorized to practice before the USPTO in trademark and other non-patent matters on behalf of others (see 37 C.F.R. §§ 11.1, 11.5, 11.14), I understand that I am authorized to grant USPTO.gov account sponsorship to a reasonable number of attorney support staff who are employed or retained by me, my company, or my law firm and who work under my supervision, and that I may remove USPTO.gov account sponsorship of the attorney support staff whom I have sponsored at any time.

As a sponsoring attorney, I understand that I am personally, professionally, and ethically responsible for the conduct of each attorney support staff when using a sponsored USPTO.gov account. I will take reasonable steps to ensure that each sponsored attorney support staff is familiar with the terms of this agreement and with the relevant laws,

regulations, and policies of the USPTO with respect to the duties to which their access pertains. I will take reasonable steps to ensure that each sponsored attorney support staff's access and use of USPTO systems is consistent with the tasks assigned that individual. Such reasonable steps include prompt removal of sponsorship when appropriate, including where the individual is no longer under my employ and/or supervision. I will immediately remove sponsorship of the USPTO.gov account for any attorney support staff whom I have reason to believe has abused or misused any USPTO system, including but not limited to knowingly submitting false statements or signatures, and I will immediately report the misuse or abuse to the USPTO.

I understand that each USPTO.gov account is intended for use by the individual to whom it is registered, and that each of the attorney support staff I sponsor must have a separate USPTO.gov account in their own name and are not permitted to share accounts among other support staff individuals.

As an attorney, I may only sponsor attorney support staff under my supervision, employed or retained by my individual law practice, law firm, or as employees of the same company as myself. I will not attempt to sponsor any other individuals or organizations, including any company, group, client, foreign agent, foreign attorney, or other practitioner. As a sponsoring attorney, I understand that I am responsible for verifying the identity of any person who I sponsor, and understand that this information is subject to the terms of Section 1 above.

4. Sponsored Attorney Support Staff - Acceptable Use

If I use a sponsored USPTO.gov account, I understand that my use and access to USPTO systems is subject to the direction and control of the attorney sponsoring my account. By accessing the sponsored account, I verify that (i) I am not an attorney (see 37 C.F.R. § 11.1) or other person suspended, excluded, or otherwise precluded from practice before the USPTO, (ii) I am employed or retained by the account sponsor or the law firm or company where we are both employed, and (iii) I am subject to direct oversight and supervision of the account sponsor.

I agree that my access to USPTO systems that may only be accessed by the holder of a trademark verified USPTO.gov account may not extend beyond those duties performed under the direction and control of a sponsoring attorney. If a sponsoring attorney ceases practice before the USPTO for any reason, I will cease any access granted from that attorney.

5. Termination, Suspension, and Revocation of Accounts

Users are granted a revocable license to use a trademark verified USPTO.gov account subject to the terms of this agreement. The USPTO may immediately terminate, suspend, or revoke any trademark verified USPTO.gov account at any time, without prior notice, where:

- (a) Required information stored in the USPTO.gov account or contained in a notarized identity verification form changes and the appropriate user does not notify the USPTO within 30 calendar days;
- (b) The USPTO has reason to believe that the account has been compromised;
- (c) The associated USPTO system has been compromised;
- (d) The USPTO has reason to believe the USPTO.gov account is being used, or has been attempted for use, for unauthorized access to nonpublic information or inadvertently disclosed nonpublic information;
- (e) The user attempts to register more than one verified USPTO.gov account, including an account under a different or assumed name;
- (f) The verified USPTO.gov account is used to make submissions that the user is not authorized to make under the relevant laws, regulations, or policies of the USPTO;
- (g) The user submits any false, fictitious, and/or fraudulent information in connection with identity verification or account sponsorship;
- (h) The user submits a notarized form in support of identity verification that does not meet the notarization requirements of the notarial state or country;
- (i) The user refuses to destroy, cease dissemination, and/or retrieve any dissemination of any inadvertently disclosed or other nonpublic documents after notification by the USPTO;
- (j) The user fails to comply with obligations under this Agreement or the laws, regulations, or policies of the USPTO;

- (n) There is inactivity for an extended period of time; or
- (o) For any other reason the USPTO deems necessary to protect the integrity of its systems and programs.

I understand that if the USPTO suspends, terminates, or revokes an account, the USPTO may subsequently deny future requests made by that user at its sole discretion.

6. Software Use

I agree to honor any applicable copyright, patent, or license agreements with respect to any software provided to me by the USPTO, and will not tamper with, alter, destroy, modify, reverse engineer, or decompile such software in any way. I agree not to use the software for any purpose other than conducting authorized business with the USPTO (e.g., unauthorized access to nonpublic or inadvertently disclosed information).

7. Availability

I understand that the USPTO does not warrant or represent 100% availability of USPTO electronic systems due to system maintenance, repair, or events outside the control of the USPTO. The USPTO will make reasonable efforts to post information regarding scheduled downtime, when known, on the USPTO website. Any delays or difficulties caused by downtime may be addressed through the petition process or in accordance with further USPTO notice.

8. Term of Agreement

Continued use of a trademark verified USPTO.gov account evidences the user's continued acceptance of this agreement, including changes that may be made from time to time. The user is responsible for knowing and understanding the terms of this agreement, which is publicly available at <https://www.uspto.gov/sites/default/files/documents/TM-verified-account-agreement.pdf>. The user may surrender a trademark verified USPTO.gov account at any time by written submission to the USPTO via email at TEAS@uspto.gov or via post mail at:

9. General

If any provision of this Agreement is declared by a court to be invalid, illegal, or unenforceable, all other provisions shall remain in full force and effect.

The USPTO reserves the right to refuse to issue accounts. The USPTO reserves the right to cancel this program at any time. Modifications to this agreement will be posted on the USPTO website at <https://www.uspto.gov/sites/default/files/documents/TM-verified-account-agreement.pdf>.

I understand that the account issued to me is not a license required by law and is not to be construed as any form of permission or authority from the USPTO to file a document in the Office in violation of any applicable laws, regulations, or policies of the USPTO.

Nothing in this agreement precludes the jurisdiction of the Office of Enrollment and Discipline or limits the authority of the Director of the USPTO or the Commissioner for Trademarks.

10. Dispute Resolution and Governing Law

This Agreement shall be governed by and construed in accordance with the laws of the United States of America.

Looking for US-based Attorney for Trademark filing with USPTO

Intellectual Property Law

Posted 21 days ago

Worldwide

We are an Indian law firm. We have around 500+ applications to file with USPTO per month. We are looking for a US Attorney who can partner with us in this project. These are the arrangements:

1. Expected volume of applications: 500-600.
2. You can expect \$5000 in a month for around 500 application)
3. Reply to substantive OAs and other complicated issues are not included and you can tell us about your standard rates for those, which we will charge from the clients.
4. 2 of our best trademark associates (with 2 years of experience in US trademark applications) will be assigned to you for assisting you at all times.

This is how we want to proceed;

1. Our team will draft the applications and use your details for the attorney section.
2. Once approved by you, our team will file the applications.
3. We will add our email as a secondary email so that we can take care of all communications with respect to the applications.

We have come up with this arrangement to save your time.

Please note: the fees are just for your representation in the application and other activities will pay higher as per your rates. We expect you to give 20-30 minutes every day at max.

Please let me know if it works for you.

SPONSORED ACCOUNT SUSPENSION ORDER

Dear Mr. Haffner,

You, and at least two users you are sponsoring on the USPTO.gov system, have violated the Terms of Use for USPTO Websites and USPTO Trademark Verified USPTO.gov Account Agreement. Effective immediately, you are no longer authorized to sponsor attorney support staff accounts on the USPTO.gov system, and all USPTO.gov accounts sponsored by you are hereby suspended, including the accounts registered to Ali Zaman Zaidi and Maryam Noor.

If you wish to respond to this administrative order, you may do so via email to TMPolicy@uspto.gov.

I. Relevant Attorney Sponsorship Requirements

In order to access and file electronic forms and submit trademark documents through the Trademark Electronic Application System ("TEAS"), trademark applicants or their attorneys must register for and use a USPTO.gov account. Use of a USPTO.gov account and any other USPTO website or system requires users to comply with the Terms of Use for USPTO Websites ("Terms of Use"). See <https://www.uspto.gov/terms-use-uspto-websites>. Further, users who wish to file documents through TEAS must have their identifies verified, and are further bound by the USPTO Trademark Verified USPTO.gov Account Agreement ("Verified Account Agreement"). See <https://www.uspto.gov/sites/default/files/documents/TM-verified-account-agreement.pdf>.

Qualified attorneys¹ are permitted to sponsor “a reasonable number of attorney support staff who are directly employed” by the attorney, the attorney’s law firm, or the attorney’s company, so long as the support staff works under the attorney’s supervision. Verified Account Agreement, p.3; *accord* 37 C.F.R. § 11.5(b). Sponsoring attorneys agree that they “will not attempt to sponsor any other individuals or organizations, including any foreign or domestic company, group, client, agent, attorney or other practitioner.” *Id.* at p.4. “A sponsored support staff cannot be a foreign or domestic company, group, client, attorney, agent, or other practitioner.” *Id.* at p.5. Further, sponsoring attorneys acknowledge that they are “personally, professionally, and ethically responsible for the conduct of each [sponsored] support staff when using a sponsored USPTO.gov account.” *Id.* at 3.

Violations of the Verified Account Agreement or Terms of Use may result in immediate termination, suspension, and/or revocation of all related USPTO.gov accounts, particularly when the accounts are used to make submissions that are unauthorized under the regulations of the USPTO. See Verified Account Agreement, pp.1, 5-6; Terms of Use (“Unauthorized use or actions exceeding authorized use of USPTO systems will be investigated, and, when appropriate, official sanctions will be imposed”).

II. Sponsoree Violations

Lyptus Partners Business Services Pvt. Ltd. (“Lyptus Partners”) is apparently a law firm in Delhi, India, operated under the direction of CEO Rajatpreet Singh Modi. See Exhibit A, Lyptus Partners, LinkedIn (Aug. 26, 2022), <http://www.linkedin.com/company/lyptus-partners>. However, for purposes of trademark matters before the USPTO, Mr. Modi is not authorized to practice before the USPTO because he does not appear to be a licensed attorney in any U.S. state or jurisdiction. See Exhibit B, Rajatpreet Singh Modi, LinkedIn (Aug. 26, 2022), <https://in.linkedin.com/in/rajatpreetsinghmodi>. Ali Zaman Zaidi is a partner and Chief Operating Officer of Lyptus Partners, and Maryam Noor is an employee or consultant of the firm; neither appears to be a U.S.-licensed attorney. See Exhibit C, Lyptus Partners, <https://www.lyptuspartners.com/team/zaman-zaidi> (last visited Aug. 26, 2022); see also Maryam Noor, *Impact of Brexit on Patent Law in the UK*, Lyptus Partners Blog (Aug. 23, 2022), <https://www.lyptuspartners.com/post/impact-of-brexit-on-patent-law-in-the-uk>.

Regardless, Mr. Modi and others at his firm hold themselves out as authorized to represent others in trademark matters before the USPTO. In fact, one advertisement by Mr. Modi boldly proclaims that he “will be your US trademark attorney” for as little as \$10. See Exhibit D, Advertisement on Fiverr.com, <https://www.fiverr.com/rajatpreetsingh/register-a-company-for-you-in-usa> (last visited Aug. 29, 2022); see also Exhibit E, Advertisement on Upwork.com, <https://www.upwork.com/freelance-jobs/apply/Trademark-Attorney->

¹ Generally, only individuals who are active members in good standing of the bar of the highest court of a U.S. state or jurisdiction may practice before the USPTO in trademark matters on behalf of third-parties. See 37 C.F.R. §§ 11.1, 11.5(b), 11.14(a).

Required_~0156f462dba3bf3d5f/ (last visited Aug. 26, 2022) (noting that Lyptus Partners has filed over 4,000 trademark applications for customers in the United States).

Mr. Modi indicated in an advertisement that he is aware that certain foreign trademark-filing agencies and attorneys have recently been sanctioned by the USPTO for their efforts to circumvent the USPTO Rules of Practice, and that he was seeking an “attorney to take over these 300 applications for [Lyptus Partners].” Exhibit E. *Id.* He also explained that Lyptus Partners was looking for U.S.-licensed attorneys to “partner with” the firm so that Lyptus Partners could “use [the U.S. attorney’s] details for the attorney section” of applications which Lyptus Partners would draft, file, and “take care of all communications with respect to the applications.” See Exhibit F, Advertisement on Upwork.com, <https://www.upwork.com/jobs/~01fe2db01dbad2841> (last visited Aug. 24, 2022).

Accordingly, the USPTO has concluded that Lyptus Partners is a foreign company and its employees are not U.S.-licensed attorneys. They are engaging in the unauthorized practice of law before the USPTO and using your name as the attorney of record in an effort to obfuscate their unauthorized conduct. For this reason, the USPTO is immediately suspending the USPTO.gov accounts registered to Mr. Zaidi and Ms. Noor. See Verified Account Agreement, p.5-6 (stating that the USPTO may immediately terminate, suspend, or revoke a USPTO.gov account where “the account is used to make submissions that the user is not authorized to make under the relevant laws, regulations, or policies of the USPTO”). The USPTO will take appropriate action as additional accounts associated with Lyptus Partners, Mr. Modi, Mr. Zaidi, and Ms. Noor are identified.

III. Sponsoring Attorney Abuse of Sponsorship Privileges

The evidence available to the USPTO suggests that you are abusing the USPTO.gov sponsorship tool by sponsoring agents of a foreign filing firm. Neither of the users you are sponsoring are support staff under your direct supervision, nor are they employed or retained by you or your law firm. Instead, it appears that you are allowing users to improperly use your attorney credentials in order to aid their unauthorized practice before the Office, which is a violation of both the Verified Account Agreement, see p.2 (indicating that verified accounts “will not be used in connection with the unauthorized practice of law”) and the USPTO Rules of Professional Conduct (see 37 C.F.R. § 11.505). An attorney may not “sponsor any other individuals or organizations, including any foreign or domestic company, group, client, agent, attorney or other practitioner.” Verified Account Agreement, p.4. Mr. Zaidi and Ms. Noor are foreign agents or attorneys and you sponsored accounts for them.

The USPTO is therefore revoking your sponsorship privileges. Any support staff account sponsored by you, including those registered to Lyptus Partners’ employees, are suspended indefinitely. You are not permitted to sponsor any additional support staff, and any attempts to do so may result in the newly-sponsored account being terminated and your own account being suspended without further notice.

The matter will be referred to the USPTO Office of Enrollment and Discipline for further consideration of how your conduct, and the conduct imputed to you by the parties you have sponsored², comports with the USPTO Rules of Professional Conduct, particularly 37 C.F.R. §§ 11.504 (“Professional independence of a practitioner”), 11.505 (“Unauthorized practice of law”), and 11.804 (“Misconduct”). *See also* 37 C.F.R. § 11.303 (“Candor toward the tribunal”); Verified Account Agreement, p.4 (noting that sponsoring attorneys are required to provide information about misconduct committed by their sponsorees).

Further, the USPTO will continue to monitor submissions originating from the USPTO.gov account registered to you for any violations of the USPTO Rules of Practice in Trademark Matters, particularly the rules regarding signatures and certifications. *See* 37 C.F.R. §§ 2.193(a)-(c) and (f); *see also* 37 C.F.R. § 11.18(b) (incorporated by reference).

IV. Conclusion

No response to this Order is required. If you do respond, the USPTO will consider your response when determining what further actions to take with regard to this matter, including whether to issue additional orders or sanctions. In addition, your response may be shared with the USPTO Office of Enrollment and Discipline or published as part of further proceedings.

This Order is issued without prejudice to the USPTO taking all other appropriate actions to protect its systems and users from the improper activity described herein, including issuing additional orders relating to other applications, or referring conduct to relevant state and federal law enforcement agencies.

Exhibits A-F

² In addition to the Verified Account Agreement and Terms of Use violations described herein, the USPTO has reason to suspect that hundreds of submissions originating from your sponsorees may be in violation of USPTO Rules of Practice in Trademark Matters, including 37 C.F.R. §§ 2.193(a). If so, such violations in furtherance of a scheme to circumvent other USPTO rules may result in serious sanctions. *See, e.g., In re Yusha Zhang*, 2021 TTAB LEXIS 465, at *13, *35 (Dir. USPTO Dec. 10, 2021) (knowingly submitting false declaration signatures in an effort to circumvent other rules of practice constitutes provision of a material misrepresentation that jeopardizes the validity of the applications).

See Verified Account Agreement, pp.1, 5-6; Terms of Use (“Unauthorized use or actions exceeding authorized use of USPTO systems will be investigated, and, when appropriate, official sanctions will be imposed”).

II. Sponsoree Violations

Rajatpreet Singh Modi is the CEO of Lyptus Partners Business Services Pvt. Ltd. (“Lyptus Partners”), apparently a law firm in Delhi, India. See Exhibit A, Lyptus Partners, LinkedIn (Aug. 26, 2022), <http://www.linkedin.com/company/lyptus-partners>. However, for purposes of trademark matters before the USPTO, Mr. Modi is not authorized to practice before the USPTO because he does not appear to be a licensed attorney in any U.S. state or jurisdiction. See Exhibit B, Rajatpreet Singh Modi, LinkedIn (Aug. 26, 2022), <https://in.linkedin.com/in/rajatpreetsinghmodi>. Similarly, Shruti Agarwal and Snehaja Rana are associates of Mr. Modi’s at Lyptus Partners, and are not U.S.-licensed attorneys. See Exhibit C, Lyptus Partners, <https://www.lyptuspartners.com/team/shruti-agarwal> and <https://www.lyptuspartners.com/team/snehaja-rana> (last visited Aug. 29, 2022).

Regardless, Mr. Modi and others at his firm hold themselves out as authorized to represent others in trademark matters before the USPTO. In fact, one advertisement by Mr. Modi boldly proclaims that he “will be your US trademark attorney” for as little as \$10. See Exhibit D, Advertisement on Fiverr.com, <https://www.fiverr.com/rajatpreetsingh/register-a-company-for-you-in-usa> (last visited Aug. 29, 2022); see also Exhibit E, Advertisement on Upwork.com,

¹ Generally, only individuals who are active members in good standing of the bar of the highest court of a U.S. state or jurisdiction may practice before the USPTO in trademark matters on behalf of third-parties. See 37 C.F.R. §§ 11.1, 11.5(b), 11.14(a).

https://www.upwork.com/freelance-jobs/apply/Trademark-Attorney-Required_~0156f462dba3bf3d5f/ (last visited Aug. 26, 2022) (noting that Lyptus Partners has filed over 4,000 trademark applications for customers in the United States).

Mr. Modi indicated in an advertisement that he is aware that certain foreign trademark-filing agencies and attorneys have recently been sanctioned by the USPTO for their efforts to circumvent the USPTO Rules of Practice, and that he was seeking an “attorney to take over these 300 applications for [Lyptus Partners].” Exhibit E. *Id.* He also explained that Lyptus Partners was looking for U.S.-licensed attorneys to “partner with” the firm so that Lyptus Partners could “use [the U.S. attorney’s] details for the attorney section” of applications which Lyptus Partners would draft, file, and “take care of all communications with respect to the applications.” See Exhibit F, Advertisement on Upwork.com, <https://www.upwork.com/jobs/~01fe2db01dbad2841> (last visited Aug. 24, 2022).

Accordingly, the USPTO has concluded that Lyptus Partners is a foreign company and its employees are not U.S.-licensed attorneys. They are engaging in the unauthorized practice of law before the USPTO and using your name as the attorney of record in an effort to obfuscate their unauthorized conduct. For this reason, the USPTO is immediately suspending the USPTO.gov accounts registered to Mr. Modi, Ms. Agarwal, and Ms. Rana. See Verified Account Agreement, p.5-6 (stating that the USPTO may immediately terminate, suspend, or revoke a USPTO.gov account where “the account is used to make submissions that the user is not authorized to make under the relevant laws, regulations, or policies of the USPTO”). The USPTO will take appropriate action as additional accounts associated with Lyptus Partners, Mr. Modi, Ms. Agarwal, or Ms. Rana are identified.

III. Sponsoring Attorney Abuse of Sponsorship Privileges

The evidence available to the USPTO suggests that you are abusing the USPTO.gov sponsorship tool by sponsoring agents of a foreign filing firm. Neither of the users you are sponsoring are support staff under your direct supervision, nor are they employed or retained by you or your law firm. Instead, it appears that you are allowing users to improperly use your attorney credentials in order to aid their unauthorized practice before the Office, which is a violation of both the Verified Account Agreement, see p.2 (indicating that verified accounts “will not be used in connection with the unauthorized practice of law”) and the USPTO Rules of Professional Conduct (see 37 C.F.R. § 11.505). An attorney may not “sponsor any other individuals or organizations, including any foreign or domestic company, group, client, agent, attorney or other practitioner.” Verified Account Agreement, p.4. Mr. Modi, Ms. Agarwal, and Ms. Rana are foreign agents or attorneys and you sponsored accounts for them.

The USPTO is therefore revoking your sponsorship privileges. Any support staff account sponsored by you, including those registered to Lyptus Partners’ employees, are suspended indefinitely. You are not permitted to sponsor any additional support staff, and any attempts to do so may result in the newly-sponsored account being terminated and your own account being suspended without further notice.

The matter will be referred to the USPTO Office of Enrollment and Discipline for further consideration of how your conduct, and the conduct imputed to you by the parties you have sponsored², comports with the USPTO Rules of Professional Conduct, particularly 37 C.F.R. §§ 11.504 (“Professional independence of a practitioner”), 11.505 (“Unauthorized practice of law”), and 11.804 (“Misconduct”). See *also* 37 C.F.R. § 11.303 (“Candor toward the tribunal”); Verified Account Agreement, p.4 (noting that sponsoring attorneys are required to provide information about misconduct committed by their sponsorees).

Further, the USPTO will continue to monitor submissions originating from the USPTO.gov account registered to you for any violations of the USPTO Rules of Practice in Trademark Matters, particularly the rules regarding signatures and certifications. See 37 C.F.R. §§ 2.193(a)-(c) and (f); see *also* 37 C.F.R. § 11.18(b) (incorporated by reference).

IV. Conclusion

No response to this Order is required. If you do respond, the USPTO will consider your response when determining what further actions to take with regard to this matter, including whether to issue additional orders or sanctions. In addition, your response may be shared with the USPTO Office of Enrollment and Discipline or published as part of further proceedings.

This Order is issued without prejudice to the USPTO taking all other appropriate actions to protect its systems and users from the improper activity described herein, including issuing additional orders relating to other applications, or referring conduct to relevant state and federal law enforcement agencies.

So ordered,

Exhibits A-F

² In addition to the Verified Account Agreement and Terms of Use violations described herein, the USPTO has reason to suspect that hundreds of submissions originating from your sponsorees may be in violation of USPTO Rules of Practice in Trademark Matters, including 37 C.F.R. §§ 2.193(a). If so, such violations in furtherance of a scheme to circumvent other USPTO rules may result in serious sanctions. See, e.g., *In re Yusha Zhang*, 2021 TTAB LEXIS 465, at *13, *35 (Dir. USPTO Dec. 10, 2021) (knowingly submitting false declaration signatures in an effort to circumvent other rules of practice constitutes provision of a material misrepresentation that jeopardizes the validity of the applications).

Are you an inventor or entrepreneur seeking to protect your startup's intellectual property? This should be a priority, as IP can be one of the most valuable assets of your business. However, it is natural to worry about the cost of hiring a skilled IP lawyer, especially if your company is just getting started.

From our office headquarters in Bozeman, Montana, our team works with local businesses and clients who make use of all the area has to offer, including hunting, fishing, skiing, and snowmobiling. We also assist clients throughout the U.S. with their IP needs.

IP Strategy

The first step we take is to strategize and develop a plan for your intellectual property. There are different options when it comes to IP, and you need the right ones that apply to the nature of your IP and your operations. Strategies can address:

- How to best protect each type of intellectual property
- Management of your IP protections
- Monetizing your intellectual property

Patent Services

If you have inventions, software, or other designs at the base of your business, we can help you with the entire patent protection process, from an initial evaluation to patent prosecution and licensing.
